## EPA DOT Fuel Economy and Environment

Gasoline Vehicle

SILVERADO 4WD MUD TERRAIN TIRE

**Fuel Economy**

**16** MPG combined city/hwy

**15** MPG city

**18** MPG highway

**6.2** gallons per 100 miles

You spend **\$7,000** more in fuel costs over 5 years compared to the average new vehicle.

Annual fuel cost **\$3,100**

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 29 MPG and costs \$8,500 to fuel over 5 years. Cost estimates are based on 15,000 miles per year at \$3.30 per gallon. MPGe is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.

## GOVERNMENT 5-STAR SAFETY RATINGS

**Overall Vehicle Score** ★★★★★

Based on the combined ratings of frontal, side and rollover. Should ONLY be compared to other vehicles of similar size and weight.

|                                                                                                                        |                      |       |
|------------------------------------------------------------------------------------------------------------------------|----------------------|-------|
| <b>Frontal Crash</b>                                                                                                   | Driver Passenger     | ★★★★★ |
| Based on the risk of injury in a frontal impact. Should ONLY be compared to other vehicles of similar size and weight. |                      |       |
| <b>Side Crash</b>                                                                                                      | Front seat Rear seat | ★★★★★ |
| Based on the risk of injury in a side impact.                                                                          |                      |       |
| <b>Rollover</b>                                                                                                        |                      | ★★★★★ |
| Based on the risk of rollover in a single-vehicle crash.                                                               |                      |       |

Star ratings range from 1 to 5 stars (★★★★★) with 5 being the highest.
